

Science Graduate Studies Committee
2012 PHOTO CONTEST

We invite our graduate students to submit their best pictures to the third annual photo contest. As in the previous two years, these photographs will become a central part of the visuals compiled on our website and will assist us communicating part of the exciting research going on in our Faculty. These are the basis of the contest:

- Participation is limited to students enrolled in a graduate program in the Faculty of Science at the time of the submission
- Students can send as many photographs as they want, keeping in mind that pictures are expected to be somehow research-related
- The submission of a photograph implies the student's permission to use it in our website (pictures will carry the author's name ©)
- The Graduate Studies Committee will select the best four photos and award them according to the following schedule:

First prize: \$ 250

Second prize: \$ 150

First honorary mention: \$ 50

Second honorary mention: \$ 50

- Photographs must be sent in electronic format (.jpg or similar) to the Graduate Coordinator (pquijon@upei.ca).

Deadline: Wednesday, February 29th 2012
